

# 1ST PLACE WINNER: 2016 DODGE CHALLENGER SRT® HELLCAT OWNER: ZSOLT HORVATH

## **Congratulations!**

This 2016 Dodge Challenger SRT® Hellcat, and the man who owns it, embody the Dodge brand. While some enthusiasts are brought up to love muscle cars, Zsolt's passion began as he rolled off the proverbial "assembly line." We're honored to have Zsolt call the Dodge Brotherhood of Muscle his home.

## **City and state of residence:**

Ovilla, TX

## **All-time favorite Dodge/SRT:**

1969 Dodge Daytona and, of course, all the Hellcat-powered vehicles. You can't just pick one when they are all so badass.

## **Who is the person who has most inspired you?**

It wasn't really a person, but the Dodge/Mopar® brand itself. I liked the Challenger ever since I was a kid. I was amazed every time I saw one on the road. So I now own a Challenger myself.

## **How did you come to acquire your winning vehicle?**

I wasn't looking to purchase a Hellcat since I've only had my '18 Charger Scat Pack for about two months. One day, I stopped by at Hall Chrysler Dodge Jeep® Ram on Virginia Beach Blvd, Virginia, to get an oil filter for my Scat Pack. As I walked toward the building, I saw this Pitch Black Challenger Hellcat sitting on the lot, so I asked about it when I got inside. A friend had asked me to sell him my Charger if I found something else. So I gave him a call. The next day, we sealed the deal, and I got the Hellcat.

## **How did your automotive passion begin?**

I was born this way. By age two, I knew most makes and models and had a massive collection of toy cars. As I grew older, my passion for cars stayed the same. The only thing that changed was the size and the price of the toys.
