

# HART TAKES THIRD WITH 114 VOTES!

Congratulations, Rob Hart, of Scottsdale, Arizona, on your win and your extremely cool 2017 Dodge Viper ACR Extreme Aero!

## All-time favorite Dodge/SRT®:

My 2017 Viper ACR Extreme Aero and my 2018 Challenger SRT® Demon!

## Who is the person who has most inspired you?

I was most inspired by watching *Overhaulin'*. Why? There were so many stories about how automobiles have been passed down through the generations and all kinds of lessons that came along with them.

Watching the emotions that come from these grown men and women, I thought it would be amazing to start a legacy like this with my own family. And maybe someday, my children will pass our collection down to their children (and so on), as well as some of the lessons taught through the vehicles. Like setting high goals and not stopping until you reach them. Not expecting any handouts in life. If you want something, work hard and earn it. I chose Dodge and SRT for this legacy because I needed a vehicle that reflects my style, my personality, and the performance I expect. It's all there in Dodge.

## How did you come to acquire your winning vehicle?

Barrett-Jackson in Scottsdale! I was once very disappointed to have missed the order deadline for this very Viper in this very color. But I knew somehow, one day, that I would find her and she would belong to me. Three years later, Lot #1444 – my now Viper ACR Extreme Aero – showed up at Barrett-Jackson with FIVE miles on her. It's all about manifesting the dream!

## How did your automotive passion begin?

I've always had a passion for the automotive industry. I've always been into design. I ended up being a general contractor and President/Owner of my own company. I do a lot of design work for homes and buildings. I appreciate well-designed automobiles, planes, homes, etc.

## Do you have any stories to share about your experiences with Dodge?

I have numerous memories and stories. The brand has been very good to me and my family and I am grateful. I've made many new friends at Dodge. I also really enjoyed showing off my collection to **Chris Jacobs for a DodgeGarage video**. Just an amazing time. I am humbled and grateful.

## To whom would you like to dedicate this win?

My wife Shawna, son Link and daughter Leighton. Without their support of a very expensive passion, I would have never achieved such an awesome garage and the experiences that I have been blessed to come along with it.
